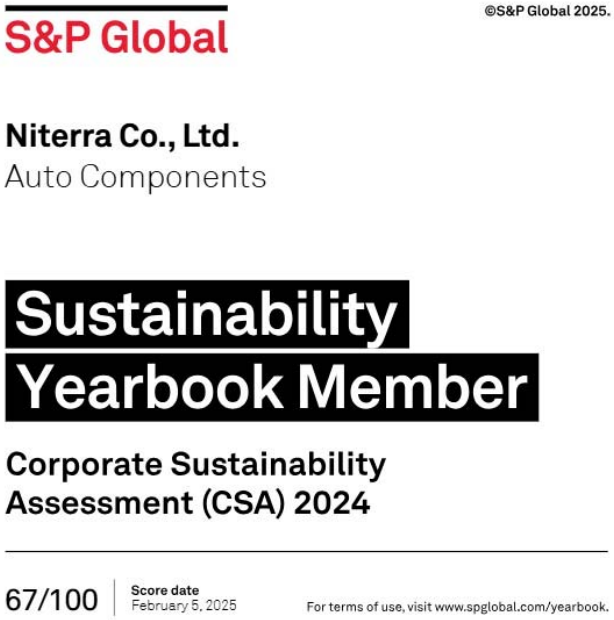
NEWS RELEASE

Niterra Co., Ltd.

Niterra Selected for Fourth Consecutive Year as Member of S&P Global's Sustainability Yearbook 2025

NAGOYA, JAPAN, March 17, 2025 — Niterra Co., Ltd., a leading Japanese manufacturer of sparkplugs and sensors with an evolving portfolio focused on ceramics and other materials, has announced that it has been selected as a member of S&P Global's Sustainability Yearbook 2025. This recognition marks the group's fourth consecutive year and seventh overall selection.



Every year, S&P Global conducts the Corporate Sustainability Assessment (CSA) to evaluate major companies worldwide based on governance, economics, environment, and societal impact. This year, over 7,690 companies across 62 industries were assessed, and 780 companies—representing the top 15% in each industry—were selected for their exceptional performance in sustainability.

The Niterra Group, guided by its corporate philosophy and the CSR & Sustainability Charter, has prioritized sustainability as a key focus in its "2030 Long-Term Management Plan NTK BX." The company is implementing various initiatives addressing climate change, governance, and human capital management. It is committed to sustainable management across all ESG dimensions, particularly environmental issues. The company's goal is to balance the resolution of social challenges with economic growth, thereby contributing to realizing a sustainable society.

About Niterra

Founded in Nagoya, Japan in 1936, Niterra Co., Ltd. (formerly NGK SPARK PLUG CO., LTD.) is renowned for its NGK-branded spark plugs and NTK-branded ceramic products. Niterra, a coined word combining the Latin words "niteo" (shine) and "terra" (Earth), was introduced in April 2023 to express the reborn company's commitment to sustainability through an evolving portfolio focused on ceramics and beyond. Under the corporate message "IGNITE YOUR SPIRIT," Niterra is now expanding into the growth fields of mobility, healthcare, environment and energy, and communications. The company's consolidated revenues in fiscal 2023 (to March 2024) totaled 614.4 billion yen (4,389 million USD). Niterra has 32 bases in Japan and 61 overseas, and approximately 16,000 employees worldwide. Please visit https://www.niterragroup.com/english/.
