Niterra Co., Ltd.

Niterra Co., Ltd. Receives Silver Rating in EcoVadis Sustainability Assessment for the Third Consecutive Year

NAGOYA, JAPAN, July 17, 2025 — Niterra Co., Ltd., Japan's leading manufacturer of spark plugs and sensors with an evolving portfolio focused on ceramics and beyond, is pleased to announce that it has been awarded a Silver rating in the sustainability assessment conducted by EcoVadis (France).
Niterra also received a Silver rating in the 2023 assessment, marking its third consecutive year of receiving this award.

Established in 2007, EcoVadis is an international rating agency committed to fostering sustainability in supply chains worldwide. Companies' CSR activities are assessed in four areas: Environment, Labor & Human Rights, Ethics, and Sustainable Procurement. Those organizations that rank in the top 15% are awarded the Silver rating, a testament to their commitment to sustainability

About Niterra
Founded in Nagoya, Japan in 1936, Niterra Co., Ltd. (formerly NGK SPARK PLUG CO., LTD.) is renowned for its NGK-branded spark plugs and NTK-branded ceramic products. Niterra, a coined word combining the Latin words "niteo" (shine) and "terra" (Earth), was introduced in April 2023 to express the reborn company's commitment to sustainability through an evolving portfolio focused on ceramics and beyond. Under the

corporate message "IGNITE YOUR SPIRIT", Niterra is now expanding into the growth fields of mobility, environment & energy, and semiconductors. The company's consolidated revenues in fiscal 2024 (to March 2025) totaled 652.9 billion yen (4,267 million USD). Niterra has 31 bases in Japan and 62 overseas, and approximately 16,000 employees worldwide. Please visit https://www.niterragroup.com/english/
