Announcement: The Change of the Group Companies' Names

Niterra Co., Ltd., (President: Takeshi Kawai, Headquarters: Higashi-ku, Nagoya) announced the change of its group companies' names to include "Niterra".

■ Background of the change

In April of this year, the company has changed its English trade name to "Niterra Co., Ltd." as an indication of its commitment to promote business development in the four fields of Environment and Energy, Mobility, Medical, and Communication to achieve business portfolio transformation in the "2030 Long-Term Management Plan NITTOKU BX" formulated in 2020. The change of the group companies' names is intended to further promote the Niterra Group's efforts to transform its business portfolio.

Niterra Group will continue to take on new challenges and reforms as a united group, aiming to become a "company that brightens the earth" as the name "Niterra" implies.

■The Idea behind "Niterra”

Niterra is a coined word that combines the Latin words "niteo”, (meaning "shine"), and "terra," (meaning "earth”). It expresses the Group's desire and commitment to contribute not only to a sustainable society, but also to be a company that brightens the earth, as the name "Niterra" implies.
